Don,

About 5 yrs ago, I told Kathy that when the board/district solved the water storage issue, I would be done.

I am relieved to be free of the bureaucracy, legal-ese, Brown Act, and a board that has become very disjointed, and unable to make even simple decisions without a committee and/or legal council.

It seems also evident that in the last 2 yrs of my 25 yrs as a waterboard member, my experience has held very little weight, (even criticized for getting first hand information on how district homeowners feel about issues at hand). Therefore, I no longer feel that continuing as a board member adds much value.

I hereby resign my position as a board member, effective September 20, 2021.

Enclosed please find a check for the remainder of the amount of my reimbursement. I will require from CVCSD a paid in full receipt.
