

**WILD FIRE SEASON IS HERE
ARE YOU READY?**

**2021 DROUGHT EMERGENCY
PLEASE CONSERVE WATER**

BEING A FIRE-WISE NEIGHBOR

Why create "defensible space" around your home?

Creating defensible space is essential to improving your home's chance of surviving a wildfire. It's the buffer you create between a building on your property and the grass, trees, shrubs, or any wild land area surrounding it. This space is needed to slow or stop the spread of wildfire, and it helps protect your home from catching fire — either from direct flame contact or radiant heat. Defensible space is also important for the protection of firefighters defending your home.

Tips for Defensible Space

Leave Space Between Planted Vegetation: The space can prevent pathways that allow fires to spread.

Create Fuel Breaks such as driveways, gravel walkways, and/or lawn.

Dispose of Tree Trimmings and other debris quickly, particularly those less than 4" in diameter

Cut Grass down to a maximum height of 4", mowing before 10:00am and never on hot or windy days.

Remove Surface Litter, such as leaves, pine needles, twigs, bark, cones and pods.

Remove Lower Tree Branches, as least 6 feet from the ground.

Keep Rain Gutters Clear by removing dead leaves and pine needles.

Move Flammable Materials away from your home, such as wood piles or propane tanks.

Separate items that can catch fire from trees and shrubs. This includes things like patio furniture and swing sets.

Strategically landscape with fire-resistant plants. The right ones can also conserve water and increase your property value.

Trim branches that hang over the roof.

Only plant low-growing shrubs or trees near the power distribution lines.

**DROUGHT
WARNING**

Governor Gavin Newsom expanded his drought emergency to 39 more counties which includes Placer County.

It is time for our community to once again conserve water. All of us need to find every opportunity to save water where we can: limit outdoor watering, take shorter showers, turn off the water while brushing your teeth or washing dishes. Check for water leaks in your irrigation systems faucets & toilets. For more tips on saving water visit: <https://saveourwater.com/>

4th July
★ **Happy** ★
Independence Day

**If you observe a major WATER LEAK please report it immediately

**STAY INFORMED BY VISTING
CHRISTIANVALLEY.ORG**

**The Christian Valley Park CSD community
would like to welcome our new neighbors.**

The website contains information on meetings, updates on projects, as well as documents such as Bylaws and Financial Audits.

You can also see photographs and read about the history of our community and surrounding areas.

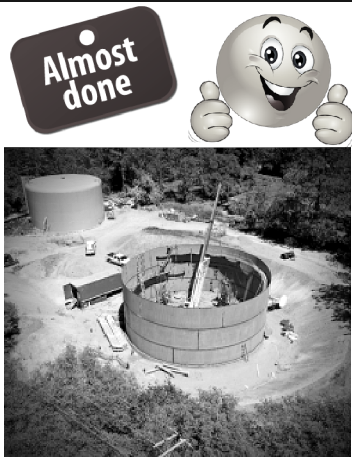

**FUN FACTS ABOUT
CHRISTIAN VALLEY PARK**

Back in 1962 the year the District was formed ; the water rates were \$5.00 per month for 1 to 2 acre homesites.
The hookup/connect fees were \$50.00

The one-room Christian Valley School was built in 1852 and located at the east end of Dry Creek Road
Old newspaper articles & some history of Christian Valley Park can be found on our website's home page under FAQ's

Tank 2 is nearly complete. Since this photo was taken around May 7th, the tank now looks just its sister tank in the background: it is painted, and will be disinfected and tested prior to filling. The remainder of the piping will be tied into existing piping. The SCADA programmers have majority of system programmed, but still need to implement Tank

- 2: stormwater pump station and booster pump station.
3. Preparing to do the final tie in - disinfection and bacti testing still needed

HAVE UNIQUE SKILLS & SOME FREE TIME?

If you have a particular skill-set or expertise and are willing to offer some of your free time to help out your District and the community, please consider doing so. Examples of skills/expertise needed are: Bookkeeping/accounting, Legal, Construction, Paving and Grading, Administrative Assistant; with an emphasis on exceptional organizational skills.

Please contact: Don Elias, GM
Call: 530-878-8550 or email at: don@christianvalley.org.

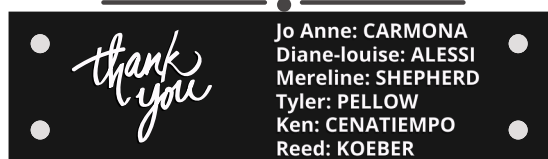

Are you interested in getting involved in your community?

District Volunteers are needed for the committee(s):
Look online for a committee and sign-up

COMMITTEE UPDATES

Committee	Type	Status
