Re: Overpayment of Board Compensation

Dear [Former] Board Member Chris Calvert:

The District has investigated and discovered that while you were a Board Member, you were overpaid in your Board Member compensation.

Christian Valley Park CSD Board Member compensation is set under Gov. Code § 61047(a), which set the maximum compensation rate at \$100 for each meeting attended by a Board member or each day in which a Board member is engaging in official duties, up to six days per week. Christian Valley Park CSD, under the terms of Water Code § 20201, has the limited ability increase compensation above \$100 using specific procedures, which were not done.

Based on the fact that this expenditure of public funds was done by mistake, the District must be reimbursed any overpayment for the last three years.

The Board met in open session and agreed to allow for settlement with the Board Members. Please see a draft of the Settlement Agreement the District has authorized, which allows for a reduced reimbursement if paid prior to the New Year. The settlement agreement requires you to reimburse CVPCSD the following amount \$3050.00, which constitutes 100% of the amount of overpayment from February 11, 2020 until present, and 55% from November 1, 2017 until February 10, 2020.

The Board has also agreed to allow reimbursement to be made via monthly payments of a minimum of \$25/month until the amount is paid off.

If you do not respond within 14 days, or are not in agreement with the Settlement Agreement, the Board will be meeting again in closed session to discuss initiating litigation to recover the full amount, including any costs, fees and interest as allowed by law.

We look forward to working with you to resolve this matter.
