Dear Chair Alpine,

I represent the Board of Directors of Christian Valley Park Community Services District (CVPCSD) and am requesting support from Placer County Water Agency (PCWA) with an evaluation that we have undertaken. As discussed at our meeting with you and your staff on Thursday, June 24, 2021, CVPCSD is considering long-term options for operating our water system, from continued operation with our own forces to full consolidation into PCWA. Our water committee met to discuss the path forward in this evaluation and recommended to our Board that we engage with PCWA to consider options. Our Board accepted this recommendation and directed staff accordingly at its July 27, 2021 meeting.

This letter is to formally request that our staff work together to develop options for CVPCSD that would involve partial or full consolidation into PCWA. On behalf of the district, we greatly appreciate PCWA's support on this matter and your stewardship over sustainable water service county-wide.

Sincerely,

---
