Hiring:

3134.5 Decisions regarding employment are based upon an individual's qualifications for the applicable position as described below.

3134.5.1 Vacancies: Employees of the District are encouraged to apply for any vacant positions for which they are qualified. The District awards vacant positions to the applicants who are best suited to meet the needs of the District, regardless of whether the applicant is a current District employee or not.

If a vacancy is awarded to a current regular employee, that employee shall serve a three (3) month probationary period in that position with continued benefits for health care, sick leave, vacation and comp time-off as appropriate. Within three (3) months of the move to the vacant position, the employee may return to their previous position with written notice to and approval by the General Manager, so long as the position has not been filled.

3134.5.2 Selection of employees. All persons considered for employment with the District shall be qualified to perform the duties of the position for which they are employed. Before reporting for their first day of work, employees may be required to undergo a medical examination and drug/alcohol testing, which confirms their ability to perform the essential functions of the job.

- a) Citizenship Verification: All employees must provide necessary documentation to prove identity and their right to work in the United States in accordance with Federal and State Immigration and Naturalization laws. Failure to provide such documentation will result in disqualification from selection or immediate termination.

3134.5.3 Probationary Period. The purpose of the probationary period is to give the District and the new employee the opportunity to determine whether employment relationship suits both parties. New employees may be eligible for health benefits under the Affordable Care Act after ninety (90) days of

employment, if not enrolled in the District's health care coverage. During the probationary period, the District evaluates the employee's job performance, and it is expected that the employee will use this time period to determine whether the District employment is satisfactory to him or her. Generally, employee evaluations may be performed at three (3) months and/or six (6) months after the date of hire and shall be performed at the end of the twelve (12) month probationary period. The employee's supervisor will conduct a written performance evaluation to ascertain the advisability of continued employment on a regular basis. However, written evaluations may be done at any time during the probationary period if determined to be necessary by the Supervisor or the General Manager.

Regardless of whether the supervisor completes a written performance evaluation, probationary employees are at-will and the District retains the right to terminate employment with or without cause, during the probationary period, in accordance with California law. Similarly, the probationary employee can end his or her employment at any time with at least two (2) weeks' written notice.

New employees hired for regular positions serve a probationary period of twelve (12) months, commencing with their first day of employment. The General Manager, ~~in conjunction with the employee's supervisor,~~ may extend the probationary period one or more times if it is determined that such an extension is appropriate. The status of regular employment following the probationary period shall only occur after a successful evaluation has taken place, and only if confirmed in writing by the District.
