What You Will Learn

- **How a FIREWISE USA Community Can Help** reduce your wildfire risk and home insurance costs.
- **The Power of Linked FIREWISE Communities** Working together will empower us to create a large area of wildfire resistant homes and lots.
- **A Framework for Effective Action** Learn a proven, step-by-step process to quickly and easily start up and build a thriving FIREWISE USA community.
- **Learn How to Use Pre-Made Marketing and Training Resources** All the forms, flyers, agendas, processes, and templates have already been created. But you will have to customize them .
- **Your On-Going Support Team** Successful FIREWISE leaders will help you learn, prepare for success, recruit a steering committee, and complete the requirements for official FIREWISE USA recognition. Then, they will help you build and maintain your community.
- **How to Co-Lead a FIREWISE community** if you don't want to do it alone.
- **How to Get Started** Learn what the first step is to protecting your neighborhood.

Who Should Attend?

- **People who want to take action** to reduce their home and neighborhood's risks from wildfires and their homeowner's insurance costs.
- **Leaders who** are comfortable speaking to groups, facilitating discussions and decision-making; and delegating tasks.
